**DISCLAIMER & SUPPLIER STATEMENT :** Although the supplier states that the above analysis, provided by a Lime WA Inc Agricultural Lime Industry Code of Practice approved laboratory, is a true representation of the product being supplied, the test results are for a single lime sample collected on one day. The pit ranges show results obtained within the past three years, but analyses over a longer timeframe are available on request. Lime WA Inc requires members to provide the above details in accordance with the Code of Practice requirements, but makes no claims and provides no guarantees on the quality or suitability of the product supplied. Product supplied by members occurs naturally and has a moisture retention capacity that varies according to seasonal conditions. As this cannot be controlled by suppliers, moisture levels are not stated. Lime WA Inc is not responsible for any claims and/or liabilities arising from the supply and/or use of these products. However, lime users are invited to contact the Association on 0419 575 737 in the event of any concerns with the product details provided.
